Applicants hereby ~~elect without traverse~~ Claims 10-12 and 14-28 directed to Embodiments I and II and Figs. 1-4 for initial prosecution. Applicants submit that Independent Claims 10 and 14 are generic to all three embodiments. Therefore, Applicants reserve the right

to prosecute subsequently the non-elected claims without prejudice or disclaimer if a generic claim is ultimately allowed.

SUPPLEMENTAL PRELIMINARY AMENDMENT

Prior to examination of this application on the merits, please amend the above-identified application as set forth below and consider the remarks that follow.

In the Drawings

Applicants propose amending Figs. 1, 4 and 5 as set forth in the Request for Approval of Supplemental Drawing Changes filed with this Election and Supplemental Preliminary Amendment.

In the Specification

Applicants propose amending the Specification as follows:

Please replace the last paragraph on page 5 and continuing on page 6 of the Specification with the following paragraph (marked up copies of originally filed pages 5 and 6 are attached):

--Further details, features and advantages of the invention arise from the following description of preferred embodiments with the aid of the drawings. There is shown in:
